

SPR Scholarship Program 2009

One of the main initiatives of the Puerto Rican Society of St. Louis is to support the educational pursuits of Hispanic students from the St. Louis region through the awarding of scholarship funds. We offer \$1000 scholarships to students pursuing undergraduate and graduate degrees. Applications are available via our website: www.sprstlouis.com. Below are some tips for the successful completion of scholarship applications:

- Be sure to have ALL materials postmarked ***no later*** than by the deadline date. Incomplete and late applications will be disqualified for consideration.
- Be sure to submit all required documents for a complete application (requirements differ for first-time college entrants and returning college students)
- Make sure that you qualify for consideration (minimum GPA of 3.0 on a 4-point scale, at least one grandparent is Hispanic)

Education is the key to success for our community. Let's all support the academic pursuits of our youth by sharing the news of our Scholarship Program with as many students as possible. Together, we can make a difference in the lives of many.
